INT. STEVE AND BLUE'S DORM

STEVE, with his classic green shirt and khakis sits on a couch. Posters from Steve and Blue's glory days hang behind him.

STEVE

Howdy friends. It's me Steve! I'm back and I've made it college. But obviously I couldn't have done it without my best friend Blue!

Steve looks around the room.

STEVE (CONT'D)

Hmm I wonder where she went off to.

Steve gets closer to the camera.

STEVE (CONT'D)

Hey, have you seen Blue?

CHILD AUDIENCE

No!

STEVE

Silly Blue, she's always up for a game of hide and seek. Come on, let's go find her.

EXT. HALL OF LANGUAGES

Steve strolls along the sidewalks, looking left and right.

STEVE

Remember, if you see a clue, just shout it out.

Steve walks by the kissing bench.

CHILD AUDIENCE

A clue! A clue!

STEVE

What? You see a clue? Where?

A ping pong ball with a blue paw print is on the bench. Steve exaggeratedly looks anywhere else but where the super obvious clue is.

CHILD AUDIENCE

Over there! On the kissing bench!

STEVE

That's strange. What was Blue doing at the kissing bench? Nevermind that. Great work guys! We've found our first clue!

Steve picks up the ping pong ball. He inspects it.

STEVE (CONT'D)

Time to take out our handy dandy notebook and record clue number 1!

Steve meticulously draws a circle in his notebook.

STEVE (CONT'D)

Perfect! Blue must be waiting for us to play ping pong with her. Let's go!

INT. A DORM WITH A PING PONG TABLE

Steve strolls into the lounge holding a ping pong paddle.

STEVE

Hmm. Not here either. I wonder if there are anymore clues around.

He saunters around the perimeter of the room. A Juul lies on a table with a blue paw print.

STEVE (CONT'D)

Ah, here it is! Clue number 2.

Steve takes out his notebook again and begins drawing.

STEVE (CONT'D)

Looks like we have a USB drive here. Blue must be studying for our test in the library. Let's make our way to Bird!

INT. BIRD LIBRARY

Steve pumps his arms up and down as he races into the library, Juul in hand.

LIBRARIAN

Excuse me sir, you really can't use that in here.

STEVE

Hi, I'm Steve. I'm just looking for my blue dog who came in here to study with me. Have you seen her?

Librarian shakes her head as she talks under her breath.

LIBRARIAN

My god, I just can't keep up with all the crazy things these kids are smoking nowadays.

She looks back up at Steve.

LIBRARIAN (CONT'D)

Honey, please take just take that outside.

Steve leaves in sheer bewilderment. He takes a seat on the library steps. He puts his hands over his face in defeat.

STEVE

At this rate, I may never find Blue.

The wind picks up. A crumpled piece of paper rolls to hit Steve's shoe.

Steve reaches for it and unravels the paper.

CHILD AUDIENCE

It's another clue!

A large blue paw print covers the page. Steve jumps up in excitement.

STEVE

We did it! We found the final clue!

Steve begins reading the flyer.

STEVE (CONT'D)

Wait. That can't be right. Booze Clues? A party hosted by Blue herself? At Delta Omicron Gamma? Oh no she doesn't.

Steve storms off.

INT. DELTA OMICRON GAMMA HOUSE

Steve races up to the door. A BOUNCER comes out.

Everyone inside chants Blue's name.

STEVE

Oh no. Oh no no no. Blue get out
here!

Steve struggles with the Bouncer. The bouncer refuses to let
him pass. Steve puts his hand over the camera.

BOUNCER (O.S.)

Oh no you don't little man. This
party is closed.

STEVE

BLUEEEEE!!!!

Theme music starts and a cute "Steve and Blue Go to College"
Logo appears. Yay!

FADE TO BLACK.
